

PRE - DELIVERY DETAIL LIST (LEVEL 1)

Vin # _____ Sled # _____ Mileage _____ Model _____

Date _____ Technician _____

- _____ Perform a modified 1,000 mile maintenance before doing recon.
- _____ Write sled # on registration sticker with a paint marker.
- _____ Remove all decals, numbers, and paint marker, not registration stickers.
- _____ On 4-strokes, change oil and filter. Write mileage on end of filter w/ paint marker.
- _____ Presoak engine compartment (engine must be cold). Wash and clean entire machine and engine. Don't forget to clean all compartments, including storage compartment. Do not let purple cleaner soak for more than 3 minutes.
- _____ Remove all non-stock equipment including: plugs, spare belts, extension cords.
- _____ Paint skis, tunnels, bumpers, touch-up paint as necessary.
- _____ Inspect for any parts that need to be warranted.
- _____ Replace all broken parts and/or cosmetic damage, including wrinkled windshields. Check with Randy, if you are unsure about replacement.
- _____ Replace wear bars if under 50% (bars, not carbides).
- _____ Check Hi-Fax wear; replace if worn to the wear indicator. See Shop Foreman for identification of wear indicator.
- _____ Check bogie wheel shaft, bogie wheel bolts, torque arm bolts, and any other slide rail bolts.
- _____ Check headlights, tail lights and reflectors.
- _____ Pledge windshields - wax hoods. Armor-all seats, vinyl and dash plastics.
- _____ Put Owner's Manual in rear of sled.
- _____ Make sure tool kit is in sled, and all tools are present.
- _____ Clean off dipstick, and fill chain case if fluid is low.
- _____ Rewire "Prem" setting on RMK key switch. See Shop Foreman for instruction.
- _____ Check starter and battery for proper operation (fully charged) replace bendix if teeth have visual wear, or if not engaging fly wheel properly.
- _____ Service VES valves on *all* mountain sleds.
- _____ Blow water out of spark plug wells (4-strokes) before starting engine. See Shop Foreman.
- _____ Perform anti-corrosion maintenance (A/C). See Shop Foreman.
