

Welcome Guest and Pet:

Thank you for choosing to stay with us. From the moment you enter one of our hotels until your departure, every member of our team has a personal commitment to exceed your expectations. There are many attractions and activities in and around Gardiner that are sure to make your visit memorable. For your convenience we now allow up to two pets. However, to maintain the high quality you must come to expect from The Ridgeline Hotel, we ask that you follow these policies:

- You must always accompany your pet(s). Pets are not allowed alone in the guestroom. If you must leave your pet, they must be secured in a crate.
- Pets are not allowed in any of the public areas throughout the property except in your guestroom and corridor.
- You are responsible for any damage or inconvenience that may be caused by your pet(s) to your assigned room or another room.
- We are proud to be a pet friendly hotel and when you bring your pet to stay with you, a cleaning fee of \$50 will be charged to your room upon check out.
- There are numerous exit doors at each of our properties to take your pet outside. Remember your key in the evenings as those doors are locked after 11:00 PM.
- Please write down the type/breed and color of your pet near the signature line.

Thank you again for your patronage. Please feel free to contact the hotel operator by dialing "0" if there is anything else you need throughout your stay.
